

## **FROM YOUR EXECUTIVE BOARD**

**June 2, 2006**

### **Membership Meeting**

Please plan to attend our monthly membership meeting next Thursday, June 8, at 4:00 p.m. The meeting again will be held at the Disabled American Veterans Hall (Chapter 131), 4610 Trenton-Franklin Road, Middletown OH. **Due to limited parking, we request that only AEIF members attend. We encourage our members to meet at the Union Hall, or the City parking lot across from the Middletown Journal, and to carpool to the DAV.**

Your Executive Board is endorsing the International Association of Machinists (IAM) in its current organizational drive, and we encourage you to sign a written authorization offered by the IAM. Please understand that your signature ultimately may be considered a vote to join the IAM.

Representatives of the IAM will be present at the Membership Meeting to answer your questions.
