Bargaining Update

We met today with the Company for approximately one hour and presented them with our comprehensive counterproposal. Our talks went well, and we await the Company's response.

IAM

Representatives of the IAM have been present at the Union Hall since May 26 to answer any questions our members may have. IAM staff will remain available at the Union Hall and on the picket line each day until the election. IAM representatives will also be available to answer your questions at next week's membership meeting.
